June 30, 2008 Page 1 of 1

International Harvester Tappets.

Reliance Parts is pleased to announce the availability of new International tappets. These are high wearing, fast moving parts for everyone involved in the service of 414, 436, and 466 International engines.

The following is a list of the new tappet part numbers and application information:

<u>Part Number</u>	<u>Description</u>	<u>Application</u>
7911776	Tappet, .97"	IH 466
7684729	Tappet, .97"	IH 414, 436, & 466
71802340	Tappet, 1.28"	IH 414, 436, & 466

Be sure to include these tappets in your next stocking order.
