Hyper-Formance Cylinder Kits & Overhaul Kits for Early and Late 6-466T, A Engines.

Reliance Parts Corporation is pleased to announce the addition of Hyper-formance Cylinder Kits and Overhaul Kits for early and late 6-466 engines. These cylinder kits include all of the same enhancements offered in the Hyper-formance Kits for 4-270 and 6-404 engines.

These Hyper-formance Kits include compression enhanced, hard anodized crown and phosphate coated pistons, induction hardened liners, duro-viton and duro-silicone liner O-rings, as well as dual keystone, Moly-faced compression rings.

Shown below are the part numbers for these new kits:

PART NUMBER	DESCRIPTION
RP764	Cylinder Kit, Hyper-Formance, 6-466T,A Early
RP765	Cylinder Kit, Hyper-Formance, 6-466T,A Late
RP766	Overhaul Kit, Hyper-Formance, 6-466T,A Early
RP767	Overhaul Kit, Hyper-Formance, 6-466T,A Late

Be sure to add these important, new kits to your next stocking order.
