**Kubota® Injectors.**

Reliance Parts Corporation is pleased to announce the availability of Kubota injector part number 616082-5390. These injectors are used in the 03 Series indirect injected engines.

These injectors are new and are sold on an outright basis. All have been tested on our test stand prior to being offered for sale.

These injectors are very popular fast moving parts. Please contact Reliance Customer Service for further details on these Kubota injectors.
