# JOHN DEERE 13.5L

## Engine Kits & Component Parts

The Reliance John Deere 13.5L product line offers excellent coverage, extensive product support and product quality that will provide engine owners the same kind of performance that they have come to expect from their 9.0L and 12.5L engines.

Complete aftermarket overhaul Tier III and Tier IV engine kits

Cylinder head repair kits & component parts

Substantial cost savings vs. the OEM

Provides optimal engine performance

We have a selection of **inframe and major overhaul kits** for applications built from 2007 through the present day for ...

- High Horsepower Tractors
- Combines
- Forage Harvesters
- Construction Equipment

For less intensive repairs, we offer a broad array of engine parts found in our convenient **all-in-one kits** ...

- Piston Rings
- Gaskets
- Bearings
- Head Bolts
