

New Balancer Shafts for John Deere 300 Series Engines.

Reliance is pleased to announce the addition of new balancer shafts for 300 Series engines. The part number for the new right hand balancer shaft is NAR-61351, and the part number for the new left hand balancer shaft is NAR-61352. The balancer shafts are used in the following 300 Series engines:

| ENGINE MODEL | SERIAL NUMBER |
|--------------|---------------|
| 4-202 | ALL |
| 4-219 | ALL |
| 4-239D | ALL |
| 4-239T | up to 746,397 |

NAR-61351 subs for part number NRE-26282, and NAR-61352 subs for part number NRE-26283. Each of the balancer shafts come with a balancer shaft gear and a balancer shaft key. The NAR-61351 balancer shaft comes with 1-QT-20130 gear and 1-NT-28041 key. The NAR-61352 balancer shaft comes with 1-QT-20133 gear and 1-NT-28041 key.

Be sure to include these popular balancer shafts in your next stock order.
