

John Deere® 300 Series Connecting Rod - NRE21076.

Reliance Power Parts is pleased to announce the availability of new connecting rod part number NRE21076. These connecting rods are brand new and are sold with no core return required. Shown below are the engine applications for these new connecting rods. They are marked with forging number NR80034. Here is a chance to offer your customers a brand new connecting rod at a price that compares with rebuilt connecting rods. Be sure to include them with your next stock order.
