

**RELIANCE®**

Bulletin No. REL-JD1.20-3 Group No. 1.20

July 21, 2009 Page 1 of 1

**John Deere® 4.5/6.8 Powertech Intake/Exhaust Valves & Valve Seal.**

Reliance Parts is pleased to announce the availability of intake/exhaust valves and valve seals for 4.5/6.8T,H Powertech High Horsepower engines (4 valve Tier II emissions). John Deere sells these valves in kits as a set of two. The kit part number for intake valve NR502369 is RE518080. The kit part number for exhaust valve NR502370 is RE518081. Reliance will sell these intake and exhaust valves separately (one per box) as part numbers NR502369 and NR502370.

The new items now available are:

<u>Part No.</u>	<u>Description</u>	<u>Engine Model</u>
NR502369	Intake Valve (Deere Kit RE518080)	4.5/6.8T,H PT High Horsepower 4 Valve Tier II
NR502370	Exhaust Valve (Deere Kit RE518081)	4.5/6.8T,H PT High Horsepower 4 Valve Tier II
NRE519115	Valve Seal	4.5/6.8T,H PT High Horsepower 4 Valve Tier II

Be sure to include these intake/exhaust valves and valve seals on your next stocking order.
