

## John Deere® 4.5T,H and 6.8T,H PowerTech Four Valve Tier II and III Cylinder Kits and Overhaul Kits.

Reliance Power Parts is pleased to announce the availability of tier II and III cylinder kits and overhaul kits for John Deere 4.5T,H and 6.8T,H PowerTech engines. These kits are used in four valve engines (two exhaust and two intake valves per cylinder) for tier II and III emission engines and should not be confused with the cylinder kits and overhaul kits offered by Reliance Power Parts for the earlier PowerTech engines. Be sure to capitalize on the opportunity to increase your sales and profitability. Add these important kits to your next stock order.
