New NRE37503 and NAR89564 John Deere Pencil Injectors.

Reliance Parts Corporation is pleased to announce the addition of new pencil injectors for 300 Series cubic inch engines. Reliance has added new pencil injector part numbers NRE37503 and NAR89564. The new pencil injectors represent the completion of a two-year project to produce these very precise parts.

The NRE37503 and NAR89564 injectors are now available from stock. With the addition of these new injectors, we will no longer be dependent on cores. Best of all, these new injectors are offered at prices that are competitive with rebuilt injectors with no core return involved.

Be sure to add these popular injectors with your next stocking order.

Be sure to add these important and fast moving parts to your next stocking order.
