

## Navistar International® Cylinder Liners.

Reliance Parts is pleased to announce the production of an updated cylinder liner for the Navistar International 4.6" bore DT466E family of engines. The new part number 31841326 will be included with cylinder kits 31836192 and 31836299 for these engines.

Please note that the updated cylinder sleeve requires the use of the orange crevice seal only.
